

Fee Schedule

The following is an outline of my services and fees for specialised Portfolio Development and Mentoring in the visual arts. I also offer services to help you develop your artist statement and organise your CV. If you have any questions not addressed here, please email me at Jane@janeboyer.com.

Portfolio Development: Your portfolio is key to your advancement as a visual artist. I can assist you in putting a portfolio together; from selecting images to defining the boundaries of your visual statement. I can even help you determine when you need more than one portfolio.

Mentoring: The artworld can be a mysterious place, and it can be daunting for emerging artists. I offer mentoring services to help you navigate the complexities of developing your career as an artist.

1. Fees

Portfolio Review: £120/120€/120\$ for a two-hour consultation, though this may not take place as two consecutive hours. It may be necessary to book the following time slots separately. We will have a preliminary 20 to 30 minutes discussion about your goals, any issues you face, or questions you may have about your portfolio. I will take an hour or so to review your imagery and make the necessary selections for your portfolio. Then we will come back together to discuss the results in the final 20 to 30 minutes. It is advisable to send around 30 images, but no more than 50, for this process.

Mentoring: £60/60€/60\$ per hour, which includes email support for questions that may arise. Assistance can be on anything related to your artistic development.

Artist Statements and CVs: £35/35€/35\$ per hour. After giving you some short texts to read as a starting point, we will meet to discuss your first drafts and what steps you should take to improve upon your efforts.

2. Aims

My aim is to give you the confidence and knowledge to move forward with your artistic career. Part of this may reach into a critical discussion of your work. You should determine whether this kind of critical discussion is desired.
